Growing Bay Area Small Businesses is Our Business

The Right Service For You— Renaissance SoMa

Whether you're a retailer, designer, manufacturer or service business, Renaissance offers the right assistance for your needs. We provide classes on business planning, advanced marketing and finance, industry-specific training, skill-building workshops, individual consultations, business incubation, and access to capital. Whether you are in startup or expansion mode, Renaissance will provide you with the tools, resources and networks needed to create a thriving enterprise.

Business Planning

Renaissance's Introductory and Business Planning classes are intensive, two to 14-week courses where you will learn from industry experts, successful small business owners, graduates and your peers. You will learn the marketing, finance, management and planning skills needed to write a comprehensive business plan to put you on the path to entrepreneurial success.

Business Incubation

Our Business Incubator is more than office space: it provides both emerging and established small business owners with a vibrant and supportive community of peers and professionals. We provide low cost offices, professional consultations tailored to your business' needs, services and meeting rooms to support your daily operations.

Financing Resource Center

Renaissance's Financing Resource Center provides technical assistance, financial education, credit counseling, credit repair and loan packaging services to help you access the capital you need to launch and grow your business.

Business Networking

Through Renaissance's programs and services, you will meet other entrepreneurs and industry experts who will inspire and support you in achieving your business goals.

Client Success

Since its launch in 1985, Renaissance has served over 22,000 women and men in the San Francisco Bay Area, who have started and grown over 6,500 businesses. Our clients' businesses span a variety of industries: from food, fashion and graphic design to education, technology and healthcare. We provide a dynamic community of learning and support to help you achieve your business goals.

“I had tried many times to launch businesses. Until I received training from Renaissance, I did not have the tools to create a sustainable, successful business.”
