On Monday, January 10, iMentor rang The Opening Bell (<http://www.nyse.com/about/newsevents/1294398514864.html>) at the historic New York Stock Exchange (<http://www.nyse.com/events/1294398515093.html>), signaling the start of the second full trading week of 2011. President [Caroline Kim Oh](http://www.nyse.com/staff-member/caroline-kim-oh) rang the bell. She was joined by founding Board members Matt Klein and Richard Buery and several mentor-mentee pairs. iMentor was a special guest in honor of [National Mentoring Month](http://www.nationalmentoringmonth.org/) (<http://www.nationalmentoringmonth.org/>).

"This is such a great opportunity!" exclaims Ricardo, a mentor who works at [Deutsche Bank](http://www.db.com/index_e.htm) ([http://www.db.com/index\\_e.htm](http://www.db.com/index_e.htm)). "Not many people get to see the stock exchange up close, and this experience will make a lasting impact." Ricardo's mentee, Andres, agrees: "You have to see it in person to know how unique the experience is."

This special event was viewed by tens of millions of people around the world. The ceremony was broadcast live on CNN, Fox Business News and CNBC. It was also [webcast online](http://www.nyse.com/events/1294398515093.html) (<http://www.nyse.com/events/1294398515093.html>) and projected onto the jumbo screen at the [W Hotel in Times Square](http://www.starwoodhotels.com/whotels/property/overview/index.html?propertyID=1234) (<http://www.starwoodhotels.com/whotels/property/overview/index.html?propertyID=1234>). iMentor was incredibly honored by the opportunity to celebrate National Mentoring Month with one of our neighbors on Broad Street!
