To Whom it May Concern:

This letter is to affirm for you that the UNH Foundation manages the funds of the UNH Institute on Disability and that the Institute on Disability only has access to those funds designated for purposes of the Institute. Should you or others have questions about how the Institute on Disability funds are subsumed as part of the overall UNH Foundation audited financial statements, please do not hesitate to contact me.

Sincerely,

Tina M. Sawtelle
VP of Finance & Treasurer
