We have audited the accompanying financial statements of After-School All-Stars (the Organization), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

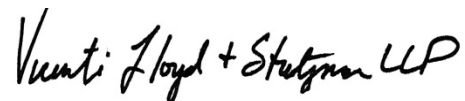

Board of Directors
After-School All-Stars

Opinion

Report on Summarized Comparative Information

We have previously audited After School All-Stars' June 30, 2014 financial statements, and we expressed an unmodified audit opinion on those financial statements in our report dated February 18, 2015. AFTER-SCHOOL ALL-STARS

NOTES TO THE FINANCIAL STATEMENTS For the Year Ended June 30, 2015 (With Comparative Totals for the Year Ended June 30, 2014)

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – After School All-Stars (the Organization) is a not-for-profit public benefit corporation, which was incorporated under the laws of the state of California in 1992. The Organization’s mission is to provide opportunities for inner-city youth to participate in sports, education, computer technology, culture and community enrichment programs in order to build confidence and self-esteem and to encourage youth to say “no” to gangs, drugs and violence and “yes” to hope, learning and life.

After School All-Stars is decentralized with twelve city-based, local nonprofit organizations and Chicago Public Schools After School Program licensing the use of the After-School All-Star’s name. The local organizations apply for grants and receive financial support for program for youth. The Organization was established to assist its affiliated chapters with the development, improvement, and implementation of the After-School All-Stars’ mission. The Organization grants a portion of the funding it receives to its affiliated chapters to be used for general operations, program quality, professional developments and new curriculums. Part of the activities of the Organization is also to form chapters, then separately incorporate them, and if needed, take over the operations of struggling chapters, reorganize them and spin them off into their own chapter again when they are able.

During the year ended June 30, 2015, the Organization operated the North Texas, Washington DC, Philadelphia, and New York chapters.

Cash and Cash Equivalents – The Organization defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting – The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and other liabilities.

Functional Allocation of Expenses – Costs of providing the Organization’s programs and other activities have been presented in the Statement of Functional Expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Basis of Presentation – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Financial Accounting Standards Board.

AFTER-SCHOOL ALL-STARS

NOTES TO THE FINANCIAL STATEMENTS For the Year Ended June 30, 2015 (With Comparative Totals for the Year Ended June 30, 2014)

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Net Asset Classes – The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Net assets of the Organization are defined as:

- Unrestricted: All resources over which the governing board has discretionary control to use in carrying on the general operations of the Organization.
- Temporarily restricted: Net assets are restricted by donors to be used for specific purposes. The Organization currently has \$2,173,647 of temporarily restricted net assets.
- Permanently restricted: Net assets are permanently restricted by donors and cannot be used by the Organization. The Organization does not currently have any permanently restricted net assets.

Grants, Contributions and Pledges Receivables – Grants and contributions are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Conditional grants and contributions are recorded as support in the period the condition is met. Such grants and contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the restriction, usually when the funds are spent. Pledges for future grants and contributions are recorded as receivables and reported at their estimated net realizable values. Management anticipates all grants and contributions receivable will be collected within the next year; consequently, no grants and contributions have been discounted. Additionally, management has determined no allowance for potentially uncollectible grants and contributions receivable is necessary.

Contributions and grant receivables for the year ended June 30, 2015 are expected to be fully collected within one year.

Monies received for future events is deferred and recognized on the occurrence of the event.

Property, Plant and Equipment – Property, plant and equipment are stated at cost if purchased or at estimated fair market value if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset

Comparative Totals – The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Compensated Absences – Accumulated unpaid employee vacation benefits are recognized as a liability of the Organization. The current portion of the liability, if material, is recognized at year-end. The entire compensated absences liability is reported on the statement of financial position. Employees of the Organization are paid for days or hours worked based upon Board approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

Income Taxes – The Organization is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required.
